

# SPOTS & DOTS

Add distinct patterns and grids to your glassboard.

## ORGANISED & CREATIVE

Spots & Dots step outside the box of traditional glassboard designs, setting the stage for organised note-taking, with a layered design aesthetic. Make your glassboard sharp and timeless with Grid, bring life into your space with Dots, or add some of both to create playful structure.

## COLOURS & PRINTING

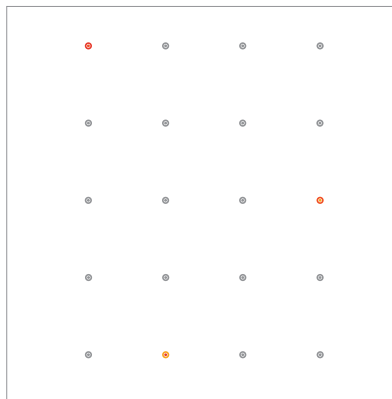

Colours By Clarus allows you to design your spots and dots in beautiful colour, while ColourDrop technology prints your design in crisp, high resolution.
