

# GO! MOBILE™

Glass That Goes Where You Go

clarus<sup>®</sup>

## WHAT IS GO! MOBILE?

This sleek mobile glass board moves with you, transforming ordinary spaces into vibrant hubs of creativity and teamwork.

## WHY GO! MOBILE?

Visualize a glassboard that isn't limited to fixed locations. go! Mobile™ is designed for adaptability. With its modern style, easy upkeep, and versatile capabilities, it's the go-to option for any space.

## COLORDROP™

### Any Image. Any Graphic. Any Design.

Clarus' exclusive glass UV printing technology. Print vibrant images, graphics, and charts directly onto glassboards, ensuring lasting quality.

## COLORS BY CLARUS™

### Any color you want.

Personalize your go! Mobile with Colors By Clarus — 175+ vibrant standard colors, enriched with our exclusive glass coating technology. We can also match any custom color using our specialized paint formulas.

## Durable and Longlasting

Each glass writing surface is made with tempered glass, providing durability and longevity. This feature makes it a cost-effective investment.

## Practical and Versatile

Break free from static workspaces with go! Mobile™, heightening adaptability and maximizing available space in your work or learning environment.

## Elevated Design

go! Mobile is designed with a sleek, minimalistic frame constructed from premium, powder-coated aluminum.

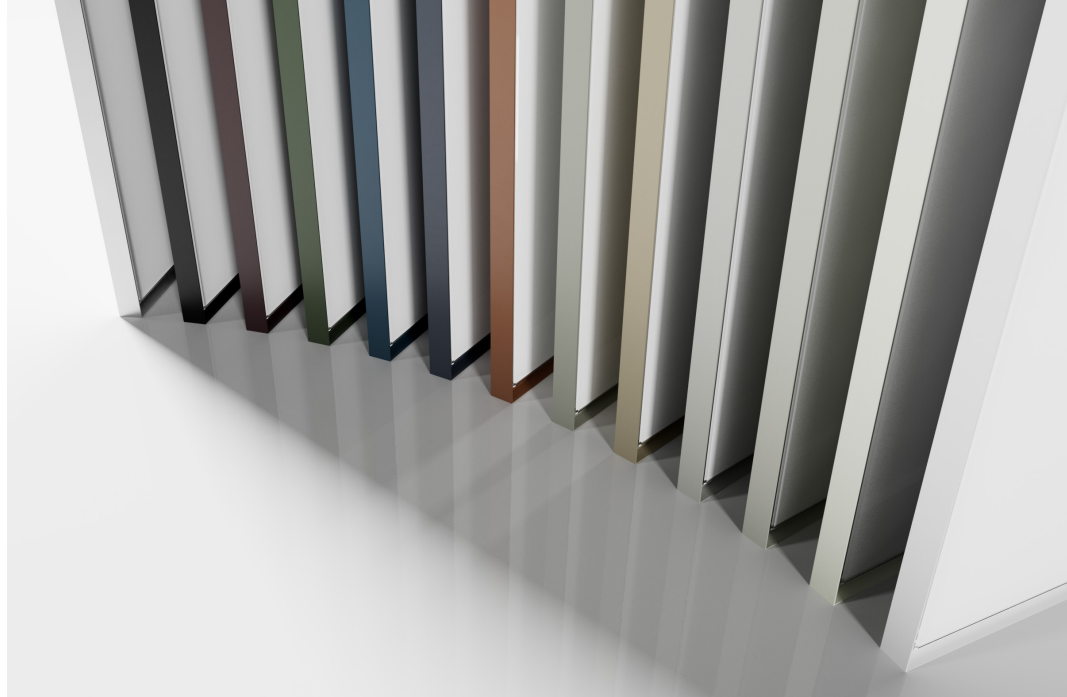

## UNLEASH YOUR CREATIVITY ON THE GO!

A mobile glass writing surface, that's customizable to your needs. Select from a diverse palette of colors and styles, magnetic or fixed acoustic panels, and more, ensuring you discover your ideal rolling glassboard.

## FRAME FINISHES

Choose from 13 beautiful, richly finished colors or bring the outdoors in with the Timber premium wood finish collection.

### TIMBER

\*Timber finish only available for medium-sized go! Mobile.

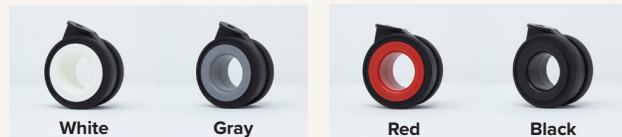

Soft Maple

White Oak

Walnut

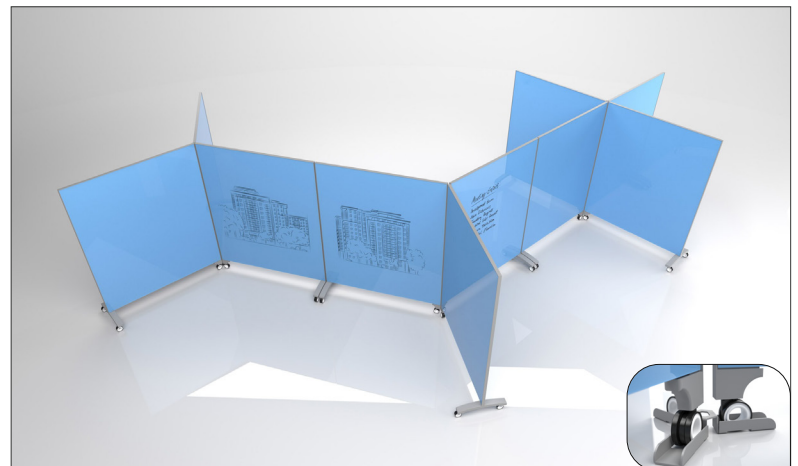

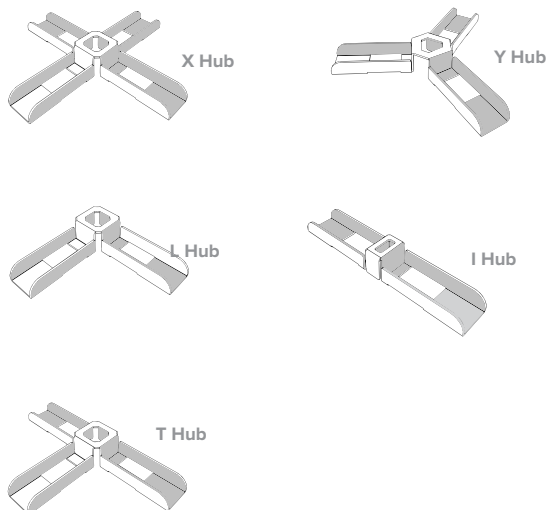

## CASTER COLORS

Select one of our four caster colors to perfectly complement your frame finish and glass color.

## GO! HUBS

With go! Hubs, any open environment can easily be upgraded to allow glass writing surfaces throughout the space. Simply roll your go! Mobiles into place, set with go! Hubs, and get to work!

ACOUSTIC PANELS

You don't have to choose between glass or acoustics. Now you can have both.

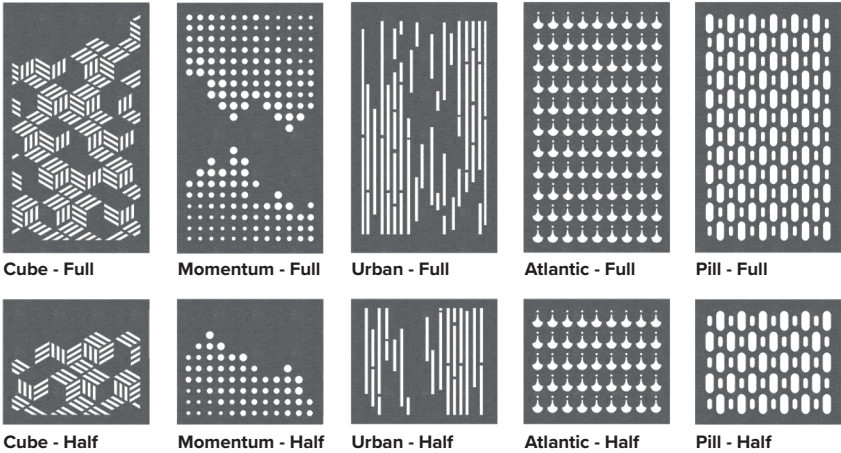

Magnetic | Magnetized itself to either side of the glass

Magnetic Acoustic Panels are an innovative removable panel designed to complement your medium-sized go! Mobile. The panel adds texture, modern patterns, and a splash of color to your space.

- 1 Choose Size: Full or Half
- 2 Choose Color: 13 Options
- 3 Choose Pattern: 5 Styles

\*Magnetic Panels only available for medium-sized go! Mobile

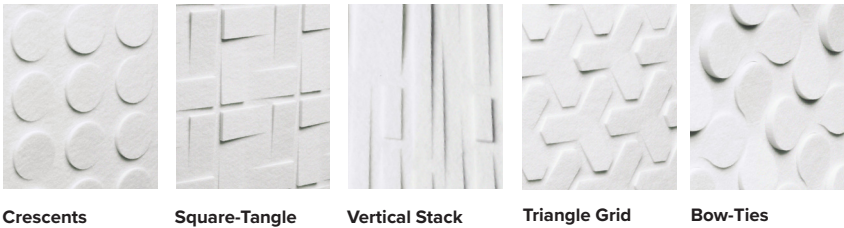

3D Fixed | Permanently glued to one side of the go! Mobile in lieu of glass

Experience go! Mobile's 3D fixed acoustic panels, available in 13 colors and 5 3D patterns or flat pattern, expertly designed to maximize felt surface area. This strategic cutting technique elevates the panel's sound absorption capabilities.

- 1 Choose Color: 13 Options
- 2 Choose Pattern: 5 Styles or No Pattern (Flat)

\*XL Acoustic only available in Light Gray
