CLARUS® FAMILY OF BRANDS

clarus⁷

Founded on innovation, not imitation, we maintain that guiding principle for customers who wish to associate themselves with the best. Where others follow, we lead through clarity of focus, the embrace of technology and the flexibility to create glass surfaces that deliver a lasting impression. Be it with words or visual designs, Clarus shines through to bring thoughts, experiences and dreams forward for others to see.

clarusclassroom⁷

Backed by the innovative technology that led Clarus to pave the way for the future of visual communication, our classroom system was inspired to accommodate all the ways a teacher needs to communicate information. Projectable, writable, tackable, and portable in one single modular platform, Clarus Classroom™ keeps schools ahead of evolving education models. With our 20 year warranty, teachers and administrators will enjoy peace of mind knowing they are partnering with the leader in visual communication boards as they inspire the next generation of thinkers, doers, creators, and leaders.

claroultra⁷

Glass and Porcelain Steel whiteboards – as simple as they are – create a powerful, unconstrained workspace that enables a group of people to communicate, think, collaborate, build, and solve problems. With attention to design and quality, claroultra™ dry erase whiteboard products provide you with an affordable presentation aide solution for any size project. Whether you are upgrading to glass or simply refreshing your existing whiteboards, claroultra has a board to fit your needs.
